# CREATED TO IMPROVE YOUR LIFE

Every year I am delighted to showcase our brand new luxury lighting. Therefore it's my great pleasure to introduce the Eichholtz Lighting Collection Book Volume 6 to you.

Next to our permanent collection I proudly present more than 900 new arrivals. Items of unmatched beauty that exceed the highest standards in design, quality and durability.

As in the bygone 25 years, we have again created interior pieces you'll love by adapting traditional crafts to modern demands. From sumptuous sofas to majestic mirrors, from classy cabinets to cosy cushions. All designed to personalise your home and increase your comfort.

"Details make perfection, and perfection is not a detail." This statement of Leonardo da Vinci is our motto, the guiding principle in everything we design. Our distinctive, opulent interior pieces are created to improve your life, both aesthetically and experientially.

Our comprehensive new collection is divided over two inspiring books: Furniture & Accessories and Lighting. We hope you'll enjoy meandering through the pages of these Eichholtz Collection Books as much as we've enjoyed creating them.

## Oriental Opulence

Add a touch of oriental opulence to your home décor with the Rossella lamps. These eye-catching luminaires with vintage brass finish feature three snakes, intertwined like a rope. Refined engraving makes the serpent figures lifelike. The granite base is smoothly polished, which highlights the charm and character of the crystalline stone. All Rossella lamps come with pleated lampshades.
