A space suspended over the sea, almost entirely without a foundation: contradictory, elegant, rich, and luminous are just some of the adjectives that immediately come to mind when one thinks of a city like Miami.

Nel design Smania convivono due anime: la tua e la nostra. È un design eclettico, capace di mantenere la sua matrice di audacia ed eleganza. Sa fare posto a quello che è il tuo mood, che a sua volta si fonde con il nostro stile.

L'arredamento Smania mette in luce i tratti distintivi dei caratteri più diversi, riflettendoli in ogni dettaglio. Lo fa nella scelta del legno, dei tessuti, delle pelli, dei marmi e dei metalli: materiali dove la tua personalità trova spazio. Ogni mobile acquista così un carattere non replicabile e inedito.

Two souls coexist in Smania design: yours and ours. Smania design is an eclectic one, able to maintain its own audacity and elegance. It is able to give space to your mood, preserving Smania's essence and its distinctive character.

Smania total living highlights the distinguishing features of different characters, reflecting them in every detail by selecting materials such as wood, fabrics, leathers, marbles and metals where your personality can be reflected. In this way each piece of furniture becomes a unique one

Smania si riserva di apportare qualsiasi modifica di natura estetica e tecnica ritenga necessaria a migliorare il prodotto o i processi produttivi.
