INDULGE IN LUXURY AND CHERISH TIMELESS STYLE

For nearly three decades, we have been creating exclusive luxury furniture, lighting and home accessories. We design opulent pieces for the interior design industry and hospitality business: from space-bound furniture to glamorous objects that bring ambience and sparkle into each décor.

True to our values we have maintained our ambition to produce outstanding design, characterised by originality, innovation, durability, and timeless beauty. All our products are manufactured with meticulous care, from high quality materials. Since they are essentially timeless, all of our designs withstand trends. They fit in well with a great variety of styles, and blend in many interiors.

In everything we develop, human needs for comfort, security, privacy and aesthetic satisfaction are considered. Our carefully accumulated knowledge and expertise enable us to create singular pieces ready to enjoy durably. Nothing thrills and inspires us more than seeing how people love and use our products in their daily life.

ABOUT EICHHOLTZ

Eichholtz designs and manufactures furniture, lighting and exclusive home accessories for the wholesale market. With an extensive product range we create exclusive interiors that appeal to the imagination worldwide. Our aim is to continuously inspire the interior business and hospitality industry. A lush style is our trademark.

Our international headquarters are located in Noordwijkerhout, the Netherlands - with over 40,000 m² of showrooms, warehouse space and our executive offices. From here we ship our opulent lighting, furniture and home accessories to clients all over the world.

We cater to a large and incredibly diverse international clientele: from interior designers and stylists to high end furniture and department stores; from chic hotels and upscale restaurants to trendy beach clubs and exclusive ski resorts.

To bring together designers, architects, retailers, and hoteliers, Eichholtz regularly organises in-house events. These events have a personal character since they are invitation-only. They offer excellent opportunities for networking and finding inspiration.

Inspired by travels around the globe

Inspired by their travels around the globe, Theo Eichholtz and his team are known for translating the specific charm of the places they visit into appealing interior schemes and alluring ambiances. Together with his designers, Theo creates furniture collections that capture the classic chic of French residences, the rustic romance of Canadian mountain

houses, the refined oriental splendour of ancient Asian palaces and the sumptuous glamour of Hollywood mansions. The Eichholtz collection offers you a variety of styles with influences from all corners of the world.

Crafted by skilled artisans

The majority of our furniture pieces, lighting and accessories are designed in-house. What we design in the Netherlands is manufactured in Asia and Eastern Europe, partly by factory production and partly by hand. Many of our accessories and accent pieces are crafted by skilled artisans, such as glassblowers and blacksmiths.

DISCOVER ENDLESS STYLING POSSIBILITIES

We have created two Inspiration Books to give you an idea of the endless styling possibilities with our luxury lighting, furniture and home accessories.

For an overview of our entire collection, see our website and the Eichholtz Collection Books. Request hard copies of our Inspiration Books and Collection Books or download the pdf's from www.eichholtz.com via your online account.
