Chapman & Myers

In 1996 E.F. Chapman partnered with Visual Comfort & Co. as Chief Designer of Chart House; our first designer product line. Over the last decade, Kyle Myers has been responsible for the creative direction of the Ralph Lauren Home lighting collection. Together, they have founded Chapman & Myers. Chapman designs within a classical idiom of fundamental principles, while Myers brings a more modern orientation and sensibility. This balance to their creative process provides a breadth of expression encompassing traditional, modern and transitional aesthetics.

AERIN

The AERIN lighting collection is inspired by old world glamour and European mid century design. From a minimalist marble lamp to a dramatic circular chandelier, the pieces are designed in the feminine, sophisticated style for which Aerin is known: Classic, but always with a modern point of view.
