

The image features a minimalist, stylized floral design. In the top-left corner, a cluster of dark green, fan-shaped flowers with radiating lines is attached to a dark branch. To its right, a branch with elongated, pointed leaves in shades of light green and purple extends towards the top-right. The bottom-left corner shows a branch with similar pointed leaves. The bottom-right corner is filled with a dense arrangement of the dark green fan-shaped flowers and their branches. The central text 'ARMANI / CASA' is rendered in a light grey, serif font, positioned horizontally between the floral elements.

TEXTILES

For Giorgio Armani, “dressing a home” with fabrics is not different from dressing a person with clothes: it is all about finding the perfect balance between a timeless elegance and the expression of your own inner self. The same concept is applied to Armani/Casa textiles, where fine fabrics, delicate embroideries and fashion-inspired details design the perfect home environment.

Enrich the spaces with softness and sophistication, by choosing among plain or more decorative designs for an ultimate luxury experience.

MADE TO MEASURE HOME TEXTILES

Armani/Casa textiles have always been able to evoke strong tactile and visual impact, expressing the unique aesthetic codes of Giorgio Armani. The result is a home with living areas and bedrooms enriched by precious items that dress different spaces with glamour and elegance.

DOMIZIA

The range of bed sheets and pillowcases Domizia is available in two different fabrics. Both can be customized by adding embroidered initials.

The percale cotton (500 thread count) is available in six colours, as well as satin cotton (600 thread count). The sheets can be customized also by choosing among three different borders, all expressing Giorgio Armani's sensibility for fabrics: plissé, contrasting double band and plain à jourhems. To attain a harmonious and consistent look, the colour palette offers suggestions for the best colour combinations.
